

## Samsung Galaxy Tab S2 (8.0) 32GB 4G LTE – The Next-gen Galaxy Tab Comes with an 8.0-inch Touch Display, Octa-core CPU, 3GB RAM and 8MP Camera!

[Now available online](#)

Samsung Galaxy Tab S2 is a newly-released Android tablet from Korean Giant, boasting cutting-edge features packed in an incredibly slim metal design. It combines an 8.0-inch Super AMOLED capacitive touch display supporting 16M colours, 2048 x 1536 pixels resolution and a 320ppi pixel density.

When it comes to internal specs, the new device is powered by a mighty Exynos 7 Octa-core processor together with 3GB RAM to let heavy programs run smoothly and speedily. It operates Google's Android OS v5.0.2 (Lollipop) comes preinstalled on its 32GB internal ROM that you can increase up to a whopping 128GB via microSD card slot.

In terms of camera optics, the Galaxy Tab S2 packs an impressive 8MP CMOS autofocus camera to provide an amazing shooting experience on the go. Moreover, a 2.1MP front-facing snapper is also there for taking great selfies and doing video chats with your loved ones.

Other important features to note are - 4G LTE network support, Wi-Fi 802.11, MHL, 3.5mm Stereo, Bluetooth v4.1, USB 2.0, ANT+, pre-loaded MS Office functionality, Accelerometer, Gyro, Fingerprint Sensor, Geomagnetic Sensor, RGB Sensor, Hall Sensor and a 4000mAh battery.

The Samsung Galaxy Tab S2 (8.0) is now available in stock and can be purchased online from Yatango Shopping with full local warranty and support.

Also available in stock - Samsung Galaxy Tab S2 (8.0) 32GB WiFi
