

# SANCTUARY COVE PALMS CHARITY RUN IN THE NAME OF FUN

Join runners of all ages take to Sanctuary Cove's exclusive Palms Golf Course to run either the 6km or 8km circuit through this idyllic setting, all while raising money for charity.

Sanctuary Cove has partnered with the Institute for Glycomics to help raise much needed funds, a collaborative charity that works with leading scientists to build a critical mass around multidisciplinary research. Global collaboration is essential in their vision to bring forward novel drugs and vaccines to the community. A proportion of registration fees will go towards this worthy charity.

Participants will have the chance to win a major prize consisting of a trip to Sydney staying at the luxurious InterContinental Sydney with a \$1,000 travel voucher among many other lucky door prizes.

Kicking off at 7.00am at the 18th hole, The Palms Fun Run will loop the last nine holes of the Sanctuary Cove Golf Club's stunning course. In addition, children can take part in the 100m Kids Dash that will start at 8.30am.

Sanctuary Cove Country Club Operations Manager Ryan Fishburn said the introduction of a fun run on the calendar was the perfect addition to the ever-growing events schedule for the Sanctuary Cove precinct, a community wide event and a perfect outing for all the family.

"We are thrilled to introduce our very own fun run event to Sanctuary Cove which caters for all the family. We have the perfect backdrop of the Palms Golf Course, wonderful prizes to give away while also raising vital funds for charity" he said.

Enjoy post-event celebrations at the Sanctuary Cove Country Club including special offers from Arnie's Café and Bar, face painting and lucky door prizes including a VIP Golf Pass at The Palms Golf Course, six-month gym membership to the Sanctuary Cove Country Club, a \$250 gift card to spend in The Marine Village, High Coffee for two at the InterContinental Sanctuary Cove Resort and a coffee gift card from Arnie's Cafe and Bar.

Registrations cost \$50 per participant and includes entry into The Palms Fun Run, a participation medal plus one free InBody body scan at the Sanctuary Cove Country Club, a Sanctuary Cove water bottle, sweat band, \$5 donation to the Glycomics Institute, a complimentary breakfast item at the post-run cook up and much more!

Ryan and the team at The Sanctuary Cove Country Club will be holding additional cardio classes and running groups during August and September for those wanting to up their training. "This is a great opportunity to get fit and start your pre-Summer fitness program and train for the 8km run" said Ryan.
