

Save Even More with Our Newly launched 'Refer and Earn' & 'Reward Points' Programs!

VetSupply is elated to announce two new programs which can help you save a few more dollars every time you shop with us or refer us to your friends and family.

We at VetSupply believe in taking the best care of all the pets in the world but we also know that sometimes it can be heavy on the pet-owner's pockets. Therefore, VetSupply has come up with the below mentioned programs which can help you take the best care of your adorable pets without burning a hole in your pocket!

Refer and Earn Program:

When we asked our elite customers what makes them trust us, most people answered that it was the discount that we offer regularly on every other occasion. It helps them fulfill all their pet's needs without worrying about the expenses. Furthermore, we were also thrilled to know that this is the sole reason they refer VetSupply to their friends and family.

Therefore, as a token of thanks we have come up with this Refer and Earn Program which can benefit you each time you refer us to someone.

Ø How it works:

You can invite your friends and family to shop from VetSupply by sharing a unique referral link on different platforms and get 5% of their first order value in your account in the form of credits. Once you collect \$100 in your account, you can redeem it for your future purchases.

Generate your unique referral link now by logging into VetSupply by clicking [here](#).

Reward Points Program:

We also wanted to express our sincere gratitude for your trust in us, and therefore we came up with another mind blowing program where you can earn reward points on every purchase on VetSupply.

Ø How to Earn Reward Points?

Below mentioned are four easy ways by which you can collect reward points:

1. Sign Up Bonus:

You just have to sign up an account with us to credit 10 reward points worth 2.5\$. Easy as that! You can redeem this Sign up bonus on your first order.

2. Shop and Earn:

You can earn reward points worth 20% of your order value each and every time you place an order with us through our Shop and Earn Program.

3. Review Products:

Our team is always keen to read your reviews and feedbacks as it uplifts us when we see the complete customer satisfaction. For this reason we would want to encourage you to Review Products and hence now we are offering 5 reward points for writing product reviews.

4. Pet Photo:

It tickles us pink when we see your pet's actually using or playing with the supplies you bought with us or the happiness on their face when they just started feeling better after treatments you bought from us. Therefore, now we have also started rewarding 5 reward points for uploading your Pet's Photo along with the product review.

VetSupply is Australia's leading and most trusted online store catering a range of products for your pet's needs. It is preferred by one and all due to our most affordable treatments and vet supplies, and that's what makes us stand out. Moreover, we don't want you to make any compromises when it's about your pet and we have come up with these programs which can help you cut down a few dollars on your pet bills every month!
