

Sea Planes landing at the Regatta Centre Penrith

the best event for the Monday Holiday FREE

The Regatta Centre at Penrith is a beautiful place normally and this weekend will host model aircraft displays that might surprise you. Large size models will be taking off the water and providing one part of the long line of entertainment that is part of the Penrith Lakes Model Show. If you have never been out there take a look at this clip and see what you are missing. This footage is taken over the Lakes and is all done by sea plane. <http://youtu.be/Ovn0rWwZUNc>. And it is free with a gold coin for parking. The event will feature model displays, active demonstrations, high speed racing and 'come and try' opportunities from an array of model types including seaplanes, yachts, powerboats, nitro cars and scale ships. Also Lara Parker-Kent and Jack Sierra YouTube /LaraJackMusic will be performing as well as a host of live entertainment. Media enquiries Tim Nolan
