

Shrek Turns 15 With A Box Set and Brand New Extra Features on DVD

Release Wednesday 16 June and on iTunes on Wednesday 18 May

Twentieth Century Fox Home Entertainment is celebrating 15 years since everyone's favourite green ogre hit our screens. On June 16, 2016 a new box set will hit shelves, containing all four of the hilarious family films.

As an added bonus, every stickered first release box set comes with a unique code inside the pack allowing fans to stream bonus content via foxextras.com.

The four movie bundle and bonus content are also available on iTunes Extras from May 18th, tying in with the actual anniversary of Shrek.

Film Synopsis:

Shrek

After his swamp is filled with magical creatures, an ogre agrees to rescue a princess for a villainous lord in order to get his land back.

Shrek 2

Princess Fiona's parents invite her and Shrek to dinner to celebrate her marriage. If only they knew the newlyweds were both ogres.

Shrek the Third

When his new father-in-law, King Harold falls ill, Shrek is looked at as the heir to the land of Far, Far Away. Not one to give up his beloved swamp, Shrek recruits his friends Donkey and Puss in Boots to install the rebellious Artie as the new king. Princess Fiona, however, rallies a band of royal girlfriends to fend off a coup d'etat by the jilted Prince Charming.

Shrek Forever After

Rumpelstiltskin tricks a mid-life crisis burdened Shrek into allowing himself to be erased from existence and cast in a dark alternate timeline where Rumpel rules supreme.
