SINGLE MOTHER MAKES \$128,000 IN 60 MINUTES

Author, motivational speaker and philanthropist Pat Mesiti, has helped a single mother in the UK who lost her job during the COVID outbreak earn \$128,000 in 60 minutes. Mesiti reveals all the secrets of how he did it in his brand-new book Unbreakable and during a live online training session where he will also discuss the easy way to develop your business idea, how to launch your business in 2 hours and build it in 7 days or less and the exact formula that he used to launch multiple 6- and 7-figure businesses in 2020. The free 2 hour session will be livestreamed four times at 10am and 7pm (AEDT) on Saturday, February 27th and Sunday, February 28th . Like most people in 2020, Mesiti had his plans turned upside down due to the covid-19 pandemic and speaking on reflection, he says, "2020 absolutely hit me for a 6. Although it wasn't the first time I was handed challenges, this time it felt different. Very different. What I wanted to do and what I had planned to do, I couldn't physically do. And it doesn't seem like 2021 is going to get any better. Everything is still up in the air with no one really knowing when and how this will be resolved. However, I believe that what is now the normal can become the extra-ordinary. 2020 saw myself and my team use a special online business launch formula that I believe is UNBREAKABLE. All of a sudden, profits were up 30%. We launched 8 new businesses. Many of them earning between 6- and 7-figures."

World's Bestselling Non-fiction Author, co-creator of the Chicken Soup for the Soul series, Mark Victor Hansen says, "Pat Mesiti has used his infectious positivity and experience in overcoming adversity turning it into gainful advance economically. Pat has helpful secrets to share with you that will help you succeed even in the darkest times."
