

## Sony Xperia C4 E5333 Dual SIM 4G LTE – The Innovative Selfie Phone Featuring 5MP Front Camera with LED Flash and a Lot More!

Now available unlocked and online

Sony Xperia C4 E5333 is the latest selfie-centric Android smartphone from Sony, boasting a large 5.5-inch IPS LCD capacitive touch display supporting 16M colours, 1920 x 1080 pixels resolution and a 401ppi pixel density, with Sony's Mobile BRAVIA Engine 2 technology that offers a very stunning viewing experience on the go.

Internally, the handset features a powerful Octa-core Cortex-A53 1.7GHz processor alongside 2GB RAM to perform efficiently. Its 16GB internal storage has Google's Android OS v5.0 (Lollipop) preinstalled, with complete access to the Play Store.

In terms of photography options, the new device features an impressive 13MP AF camera with interesting features including LED flash, panorama, face/smile detection, Geo-tagging and HDR. Moreover, a 5MP front-facing cam with LED flash is also there for taking great self-shots and doing video chats with your loved ones.

Other striking features of Xperia C4 include – 4G LTE network support, Dual-SIM functionality, Bluetooth v4.0, Full HD video recording, ARM MaliT760-MP2 GPU for graphics enthusiasts, memory expansion up to 128GB, Scratch-resistant display, accelerometer, proximity, Ambient Light Sensor, Hall sensor, eCompass, 4x digital zoom, FM radio with RDS and a 2,600mAh battery.

The Sony Xperia C4 is now available in stock and can be purchased online from Yatango Shopping with full local warranty and support.
