

## Sony Xperia C5 Ultra E5563 Dual SIM 4G LTE – A Selfie Phone with 6.0-inch Display, Octa-core CPU and 13MP Rear and Front Cameras!

Now available unlocked and online

Sony Xperia C5 Ultra is the newly-released camera-focused smartphone from Sony, boasting high-end features loaded in a very stylish bezel-less design. It combines a large 6.0-inch IPS LCD capacitive touch display supporting 16M colours, 1920 x 1080 pixels resolution and a 367ppi pixel density. The multitouch display employs Sony Mobile BRAVIA Engine 2 technology to deliver an amazing viewing experience.

Internally, the handset is backed by a powerful Octa-core 1.7GHz Cortex-A53 processor in conjunction with 2GB RAM to perform smartly. The Google's Android OS v5.0 (Lollipop) comes preloaded on its 16GB internal storage, with complete access to the Play Store.

The phablet comes equipped with 13MP rear and 13MP front cameras with lots of interesting features including autofocus, LED flash, face/smile detection, 4x digital zoom, geo-tagging, HDR and panorama.

Other remarkable features of Xperia C5 Ultra include – 4G LTE network support, Dual-SIM functionality, ARM MaliT760-MP2 GPU for graphics enthusiasts, Sony Exmor RS for mobile image sensor, eCompass, Ambient Light Sensor, Hall sensor, Proximity and a 2930mAh battery.

The Sony Xperia C5 Ultra E5563 is now available in stock and can be purchased online from Yatango Shopping with full local warranty and support.
