

SpaScriptions Welcome Sheet Masks To The Range!

Just in time for Winter 2021, SpaScriptions Australia are introducing their first sheet mask into the range of skincare solutions, combining nature and science, and designed to target specific skincare needs. The new SpaScriptions Superfood and Collagen Masks have just been released nationally into Big W and online at spascriptions.com.au. At an RRP of just \$9.99 for a pack of five sheet masks, pampering and DIY masking at home has never been more affordable. SPASCRPTIONS SHEET MASKS – SUPERFOOD: RRP \$9.99 Formulated with Watermelon, Kiwi and Avocado extracts, this paper mask moisturises and cleanses the skin with the power of superfoods. Watermelon hydrates the skin and boosts radiance, the Kiwi extract helps to brighten and rejuvenate the skin, while the Avocado is rich in fatty acids that are essential to moisturisation. SPASCRPTIONS SHEET MASKS – COLLAGEN: RRP \$9.99 Formulated with Glacier Water, Collagen and Hyaluronic Acid. This paper mask promotes youthful, plumped skin and helps restore its natural PH balance. The Glacier Water, a natural mineral cocktail, helps to restore the skin's pH balance, the collagen protein works to create youthful, plumped skin, while the Hyaluronic Acid intensively hydrates the skin. About SpaScriptions: SpaScriptions range of skincare products have been developed by an expert team of researchers and chemists, each formulation combines advanced technology with high-quality ingredients for a skincare range that fits into customers' existing skincare routine. The new SpaScriptions Sheet Mask pack of five is available now at an RRP of \$9.99 from spascriptions.com.au or Big W nationally. spascriptions.com.au @spascriptions
