

# Spectrum Smart TV is Evervue's Own Version of the "The Frame" But Better

Display your favorite pictures and artworks in premium quality with Spectrum Smart TV Display

Evervue USA Inc., a world leader in manufacturing Outdoor TVs, Bathroom TVs, Kitchen TVs and Smart Mirrors since 2001 features one of its most decorative and aesthetically pleasing product, Spectrum Smart TV. Spectrum allows you to display variety of artwork to match any mood or occasion in 4K Ultra HD resolution. Create a rotating collection of artworks or unveil precious photos with an online photo album. Spectrum is available with screen sizes of 32" up to 75" and is available in landscape and portrait orientation. Available in different styles, choose your frame from Black Walnut wood in its beautiful natural brown finish, or choose a contemporary black, beige, brown or brushed aluminum frame for a signature look. The outer layer of the Spectrum is made of gallery quality, non-reflective, matte glass. This glass creates a deep, clear color on the 4K resolution screen. It is also carefully tempered, making it very strong and durable. The glass reflection is scratch resistant and easy to clean for daily use.
