Star Business Solutions, along with our Accounting and Business Management Software supplier Greentree, is proud to continue our support of the Institute of Chartered Accountants as one of the sponsors of 2011 Business Forum. Our participation extends beyond Sydney to also include the Melbourne and Adelaide events. Star will have a stand at the event and would welcome any attendee visiting the stand at the event where we would be pleased to discuss Greentree Accounting & Business Management Software and how it may be of interest to medium sized businesses.
