

Star Business Solutions wins Greentree's Australasian sales award.

This new award from Greentree is awarded for the Business Partner in Australia or New Zealand who signs the most new clients to the Greentree product.

Star Business Solutions prime business is the sale, support, implementation, training and customisation of Greentree Business Management and Accounting Software. Star is the only Greentree Partner with offices in multiple states across Australia. Star aims to help mid tier businesses and Not For Profit Organisations reach new heights by streamlining business processes, save time, allowing clients to perform more effectively and put clients in a position for success and growth. Star Business Solutions will put for profit businesses in the position to outshine their competitors and assist Not For Profits in delivering what they need to deliver in the most efficient manner.
