

# Starting a renovation or home improvement project? The Sydney Autumn Home Show is the place for you!

Join us from 21-23 May at the iconic ICC Sydney, Darling Harbour for the only Sydney Home Show for 2021

With events resuming across Australia, thousands of Sydney homeowners and renovators are set to flock to Darling Harbour next week as the Sydney Autumn Home Show returns in 2021. Located at the International Convention Centre, Sydney from Friday 21st to Sunday 23rd May, expect the latest and greatest in home-improvement and renovation products and services.

The new Eco Town feature will be making its first appearance at The Sydney Autumn Home Show. Visitors can learn about how to live a more environmentally friendly lifestyle. There will be a broad range of industry experts on bee keeping, solar energy, innovative Australian products, tips on how to make your home more sustainable, to all things hemp & biodegradable products. and even a uniquely converted shipping container including different building materials. Plus, daily demonstrations hosted by our Eco Town Ambassador Wombat (Clint Price) from The Block 2017, talking all things recycling, planting, worm farming and heaps of activities for the kids so that they can reconnect with nature and make cool things to take home!

For the first-time, homeowners can walk through their future home in virtual reality before it is built! Envision VR have created a world-first VR experience, where you can visualise your plans and walk around freely in 1:1 scale. Whether you want to move the living room, add another room, or change the colour scheme, you can now decide it all before construction begins! Visitors can try this ground-breaking VR experience for themselves at The Home Show.

Stuck at home? Turn your backyard into the peaceful holiday oasis of your dreams at our Staycation Resort! It's your destination to be inspired by the best in alfresco living, including pools, spas, decking, fire pits, outdoor furniture, and BBQs. Plus, see all the premier products positioned around a beautiful Tiny home to really imagine what your backyard could look like.
