

Move aside the Espresso Martini, this festive season JURA Australia share their latest coffee-based recipes, guaranteed to not only impress the fussiest guests, but also look great on the table this Christmas Day. George Liakatos, JURA Australia's General Manager says, "It's amazing how many people only ever use their coffee machines for their daily caffeine hit. Our machines can deliver so much more at the touch of a button, making it quick and easy to get creative with the beverages you can serve up this Christmas." JURA's Strawberry Dream - Ingredients (for 1 person) 2 x 45 ml strong espresso made using a JURA ENA 8 Whipped cream maker 350 ml cream 10 ml sugared water (made of equal parts sugar and water) Strawberry purée 5 ice cubes Preparation: Put the ice cubes in a shaker. Prepare the espresso in the same shaker. Shake for about 20 seconds so that the espresso cools immediately. Then pour the mixed ingredients into the whipped cream maker. Tightly close the whipped cream maker, shake it and insert the cartridge. Vigorously shake the whipped cream maker 8-10 times and refrigerate until needed. Put a little strawberry purée in a cocktail glass and pour the frothy espresso over it. Decorate with a strawberry or a coffee bean, if liked. JURA's Red Cool - Ingredients (for 1 person) 45 ml espresso made using a JURA ENA 8 Campari or Red Bols Lemonade Ice cubes Preparation: Take a long drink glass. Fill the glass almost to the rim with ice cubes. Add 20 ml of Campari and then lemonade to the glass. Place 2 straws in the glass. In a separate receptacle, prepare an espresso with 45 ml of water. Pour the hot, freshly made espresso over an ice cube into the glass. Pour carefully to make sure the espresso does not mix with the Campari. This will create an attractive layered effect. Stir before enjoying this speciality coffee. For the gift that keeps on giving, or to get Christmas ready, JURA's ENA 8 in Nordic White or Sunset Red is a must have on the wish list.
