Talend Announces Speaker Line-up for Talend Connect World Tour Asia Pacific 2020

Innovative companies like GSK, Harmoney, Newcastle University, and more join the virtual stage to share their data transformation stories

SYDNEY – October 20, 2020 - Talend (NASDAQ: TLND), a global leader in data integration and data integrity, today announced its speaker line-up for Talend Connect World Tour Asia Pacific 2020. This virtual event will be broadcast on Wednesday, 11 November, at 1 pm AEDT.

Talend Connect Virtual Summit will bring together Talend executives, data integration industry experts, and partners from around the Asia Pacific and the world to learn the strategies, techniques, and tools to gain confidence in data and decisions.

Talend customers, across pharmaceutic, education, healthcare, and finance, will share best practices and strategies on how they're succeeding by making decisions on trusted data.

Confirmed customers that will share their data journey stories include:

Sai Jasti, VP, Data Analytics & AI, GSK Vaccines – Global Tech, will join Talend CEO Christal Bemont's keynote on "Navigating Data Chaos with Confidence – Learn from Today's Digital Leaders."Andrew Bates, CTO, Harmoney, will discuss "Better Decisions, Made Faster with Trusted Data."Joseph Ho, Senior Solution Architect (IT), Parkway Pantai, will present "Sharing in Times of Crisis: Fighting the Pandemic with a Modern Data Microservices Architecture."Raghu Achar, VP Engineering and Applications, Vituity, will explain "Making Your Data More Accessible with Cloud, Automation and Trust."John Donaldson, Integration Services Manager, Newcastle University, will present "Establishing Business Agility for Uncertain Times – The Power of APIs and On-demand Data."

Talend Connect World Tour will offer tracks for practitioners and executives. For more information and to register for free, please visit here: https://www.talend.com/lp/tcwt-2020-apac/

About Talend

Talend (NASDAQ: TLND), a leader in data integration and data integrity, is changing the way the world makes decisions. Talend Data Fabric is the only platform that brings together all the data integration and governance capabilities, to simplify every aspect of working with data. Talend delivers complete, clean, and uncompromised data in real-time to all. This unified approach to data has made it possible to create the Talend Trust Score™, an industry-first innovation that instantly assesses the reliability of any data set to bring clarity and confidence to every decision.

Over 4,750 organisations across the globe have chosen Talend to run their businesses on trusted data. Talend is recognised as a leader in its field by leading analyst firms and industry media. For more information, please visit www.talend.com and follow us on Twitter: @Talend.
