TGM Group Pty Ltd [TGM Group] leads the industry in providing innovative solutions for consulting, engineering, surveying and planning services to a broad spectrum of clients in:

Infrastructure

State and Federal Government

Institutional developments

Education

Local Government

Land Development

Residential, commercial and industrial building

Intelligence & Expertise

TGM Group employs over 120 professional and technical staff in offices located in Melbourne, Geelong, Ballarat and Ballina, enabling them to provide comprehensive advice, local knowledge and support to clients across Australia. The depth of resource available within their team enables clients to access both the latest thinking and the benefit of experience. Expertise, combined with an intelligent and innovative approach to addressing technical challenges, sets TGM Group apart.

TGM Group focuses on providing their clients with the best outcomes for their projects. They are service orientated and results driven. TGM Group's approach brings experience, technical excellence, meaningful innovation, integrity and professionalism to their clients' projects. TGM Group are able to provide clients with a specific service or a multi-discipline project team by bringing together significant in-house expertise across core disciplines of Civil and Structural Engineering, Surveying and Planning.

The TGM Group's management approach ensures that they are accessible to their clients. All projects, big or small, are handled internally by a single project manager to ensure each project runs smoothly. Their clients appreciate the fact that company Directors and Senior Managers have a "hands-on" involvement in their projects from the initial meeting through to the project hand-over. They treat our clients' problems as our own. Star is a market leading organisation in business management software solutions with offices in Melbourne, Sydney, Canberra and Adelaide. Star believes that their business solution software partner, Greentree, is the best locally developed integrated business management & accounting software package in the market with Financials, Distribution, Job Costing, Manufacturing, Supply Chain Management, ERP, CRM, HR/Payroll, eCommerce, Report Writer, Workflow and Business Process Management. Star's goal is to provide services and solutions that constitute clear, measurable value which will validate each client's choice to partner with them.
