

# The Emotional Computer Repairs Brisbane – Computer Repairs for all Makes and Models

The Emotional Computer Repairs Brisbane prides itself on having the highest number of 5 star customer reviews for Mac Repairs Services in Brisbane.

Are you having a hard time find repair services for your old PC or laptop? The Emotional Computer Repairs Brisbane has nearly 18 years of experience and is able to offer computer repair, maintenance and support services for just about every make and model.

The Emotional Computer Repairs Brisbane provides one of the most comprehensive arrays of computer-related services to be found anywhere. Technicians can diagnose and rectify problems with its online, on-site or drop-off services and provide everything needed to keep computers up and running.

For those who carry a spare computer or a laptop with them and do not need emergency assistance can simply drop-off their computer at the office. Once the PC is repaired the owner will get a call back informing them of the repair. An estimate repair price is shared with the customer when they drop-off their computer.

Any further expenses are conveyed to the owner before performing the repair. Supposing the issue is a hard disk issue and the hard disk needs to be replaced with a new one. The cost of the hard disk is added to the service cost.

If you have a tiny problem and cannot take your computer to the service center then The Emotional Computer Repairs Brisbane also offers a mobile repair service. The technician will visit your home or office and carry out the repair/ service in your presence. Any cost for replacement of parts or new hardware will be in addition to the service cost.

One service that separates this computer repair Brisbane firm from the rest is that when it comes to Mac repairs Brisbane the firm will fix and repair your Macbook computer even if you have been turned away by the Apple service center. The Emotional Computer Repairs Brisbane does not service or repair iPhones or iPads.

The mobile service is available in Brisbane and in suburbs within a 25 mile distance. You are of course welcome to drop-off and pick-up your computer to and from the service center.
