

The GENIUS Scar Solution

Ceramide and Vitamin E Skin Oil from Africa

Scars can come in many different shapes and sizes and can be unpleasant, but you can prevent and reduce the appearance of scars with the use of one genius body oil. BodyPlus Skin Oil is the ultimate scar solution; it helps repair and rejuvenate the skin's natural defence barrier to protect the skin and increase moisture retention. CEO of McGloins Supertex, Nick Barnes says, "BodyPlus Skin Oil is formulated with Ceramide and Vitamin E, the essential nutrients when it comes to preventing and treating scars. BodyPlus Skin Oil will reduce the appearance of scars, even out skin tone and can prevent scars from forming if applied in the healing process to a wound." Ceramide and Vitamin E provide the essential nutrients to lock in moisture and promote hydration for a smoother complexion, minimising the appearance of scars. BodyPlus Skin Oil doesn't leave a greasy layer on your skin but rather absorbs into the skin, allowing for deeper nourishment and hydration. Simply massage BodyPlus Skin Oil in a circular motion on the scar. For optimal results, it is recommended to apply BodyPlus Skin Oil twice daily to allow for intense hydration and to safely treat the appearance of scars, stretch marks and delicate, healing skin. On new scars, BodyPlus Skin Oil should only be applied once the wound has healed. BodyPlus Skin Oil has numerous other key benefits including: Everyday moisturiser Safely treats stretch marks Treats sunburn Lightens dark spots Heals drying fingernails Reverses premature skin aging Acts as cleansing agent Soothes pain from cold sores Suitable for men and women of all ages Helps to treat eczema BodyPlus Skin Oil works best when applied twice a day for at least three months. High in Vitamin E and Ceramides, use BodyPlus Skin Oil as an intensive face and body moisturiser, bath oil or after sun treatment.
