SPECTRE

007's Latest Mission Available on Blu-ray™ & DVD on Wednesday 9 March

Sydney, AUSTRALIA (January 5, 2016) –The 24th James Bond adventure SPECTRE, from Albert R. Broccoli's EON Productions, Metro-Goldwyn-Mayer Studios, and Sony Pictures Entertainment, will be available to own on Blu-ray™ & DVD on Wednesday 9 March, it was announced today by Metro-Goldwyn-Mayer Studios and Twentieth Century Fox Home Entertainment.

Taking in more than \$850 million (USD) worldwide, SPECTRE dominated the worldwide box-office making it one of the most successful Bond movies ever, shattering records in nearly every market it was released, led by a historic performance in the UK. The latest installment from one of the longest-running film franchises in history gives fans never-before shared insight into the complexities that made James Bond the man he is today.

In SPECTRE, a cryptic message from the past sends James Bond (Daniel Craig) on a rogue mission to Mexico City and eventually Rome, where he meets Lucia Sciarra (Monica Bellucci), the beautiful and forbidden widow of an infamous criminal. Bond infiltrates a secret meeting and uncovers the existence of the sinister organisation known as SPECTRE.

Meanwhile back in London, Max Denbigh (Andrew Scott), the new head of the Centre for National Security, questions Bond's actions and challenges the relevance of MI6, led by M (Ralph Fiennes). Bond covertly enlists Money Penny (Naomie Harris) and Q (Ben Whishaw) to help him seek out Madeleine Swann (Léa Seydoux), the daughter of his old nemesis Mr. White (Jesper Christensen), who may hold the clue to untangling the web of SPECTRE. As the daughter of an assassin, she understands Bond in a way most others cannot.

As Bond ventures towards the heart of SPECTRE, he learns of a chilling connection between himself and the enemy he seeks, played by Christoph Waltz.

Sam Mendes returns to direct SPECTRE, with Daniel Craig reprising his role as 007 for the fourth time. The film is produced by Michael G. Wilson and Barbara Broccoli. The screenplay is by John Logan and Neal Purvis & Robert Wade and Jez Butterworth, with a story by John Logan and Neal Purvis & Robert Wade.

With the Blu-ray, go behind-the-scenes of Bond's latest mission with in-depth special features. Watch how the jaw-dropping opening scene was created in Mexico City.
