Go Simple

In the wedding world, embellishments mean more money. Especially with a formal wedding, a bride wants every aspect of the event to have the “wow” factor, including the bridesmaid dresses. But the more glamorous the dress, the higher the price, not to mention the fewer chances the maid will have to wear it again. Save money by selecting a simpler dress and accessorizing it for a cheap bridesmaid dress option.

Have It Custom Made Having a dress custom-made might not be as expensive as it sounds. Because a local seamstress doesn’t have the markup between manufacturer and retailer, you pay only for the fabric, embellishments, and the seamstress’ time and expertise.
