

Three-time best and fairest winner Darren Glass captaining new team

AFL All-Australian and former Eagles Captain Darren Glass takes on a Complete-ly new role at Complete Home Filtration

West Coast Eagles great Darren Glass has been appointed General Manager of a new club, this time kicking goals and making a charge for the championship in the field of Whole-Home Water Filtration. Complete Home Filtration has been on a mission to provide better water for all Australians since 2018, and with a new captain is ready to take on the world.

Multi-award-winning Darren Glass will be joining an award winning team at Complete Home Filtration which recently took out WA Business News' inaugural RISE 'Start Up of the Year' and was shortlisted in the top 3 businesses in the state across all categories after less than 3 full years trading. Complete Home Filtration along with its founder Suzanne Dodds have been recognised internationally for their expertise and ground-breaking work in water filtration. In addition to offering their highly popular Complete Home system, CHF have been awarded Federal government funding to commercialise a proprietary PFAS removing filtration system soon to be launched into the Australian and US markets.

'Darren's appointment has come during a time of significant growth for the business, with three states now operational with our Complete Home brand and our patented PFAS filtration technology about to hit the market, it was important for us to bring in a high calibre leader to help take the business to the next level. Darren's skills as a leader along with his lesser known but highly valuable business acumen built throughout his career, a Bachelor of Commerce, a Masters in Business Administration and a stint with one of the world's top 3 strategy consulting firms will be an asset to our business,' said founder Suzanne Dodds.

Glass will take up the role of General Manager beginning 15th of February and will immediately get to work on leading and building the team to continue Complete Home Filtrations mission of helping Australians access great tasting, filtered water from every tap in their homes.

Having just completed a \$2.4 million 'Series A' capital raise with RAC WA's venture capital arm Better Labs Ventures and well know Venture Capitalist Andrew Sypkes, Complete Home Filtration which currently services Western Australia, New South Wales and Queensland is poised to continue to expand into more states in Australia.
