

# Total Car Collections taking over Melbourne through strategic move

Total Car Collections and Cash For Cars Melbourne joins hands to expand their reach

Monday 27th June 2016.

Total Car Collections joins hands with Cash For My Cars Melbourne to expand their car buying and car wrecking services throughout Melbourne metro including Geelong and Mornington Peninsula. Total Car Collections being the leading car wrecker and car buyer in Melbourne South East Region expanded its reach for buying and removing cars from Melbourne Western Suburbs, Melbourne Northern Suburbs and Melbourne CBD.

Car wrecking business has always been a shady area for Melbourne residents as there were always complaints from the users on how they deal with them and selling their car fast has always been their problem.

Total car collection's and Cash For My Cars Melbourne core business value are aligned in the same direction that is excellent customer services and standing up to their commitment as narrated by spokesperson of both companies at the MOU signing ceremony here in Melbourne.

Now no matter where your car is in Victoria state, you can always reach out to either [totalcarcollections.com.au](http://totalcarcollections.com.au) or [cashformycars.com.au](http://cashformycars.com.au) and get free car removal and instant cash quotes for your cars.

About Total Car Collection:
