

Tough Corp Appointed A Datamax-O'Neil Solution Valued Partner

Sydney, Australia – August 31, 2011

Tough Corp today announces its status as Solution Valued Partner with Datamax-O'Neil to resell their range of rugged mobile portable printers throughout Australia and New Zealand. The Datamax-O'Neil range of rugged mobile portable printers compliment Tough Corp's extensive range of rugged laptops, rugged tablets and rugged PDAs which include such brands as Getac, Honeywell and DLI. The Datamax-O'Neil range includes mobile portable printers, ultra-rugged receipt printers, thermal receipt printers, forklift printers and thermal label printers. "I take great pleasure in announcing our SVP status with Datamax-O'Neil. We are excited about the synergies between our rugged laptops, rugged tablets and rugged PDAs with Datamax-O'Neil's range of rugged mobile printers. This addition to our product offering will compliment our existing range of rugged laptops, rugged tablets and rugged PDAs and create exciting new opportunities in the mobility space," said Don Fredric, Tough Corp's Brand Manager. Tough Corp can now provide rugged mobile printer solutions for Getac rugged laptops, rugged PDAs, Honeywell rugged handheld devices and rugged PDAs, Motion rugged tablets, Panasonic Toughbooks, Motorola rugged PDAs, iPad and iPhones. Tough Corp is a leading provider of rugged laptops, rugged tablets and rugged PDAs and is well placed to service all your rugged mobile printing and mobility requirements no matter how tough the environment.
