The Tourism Authority of Thailand (TAT) Sydney Office has launched Season 2 of the “Amazing Thailand Trivia Challenge”, offering Australian residents an opportunity to expand their knowledge of Amazing Thailand while waiting for Australian borders to be opened to international travel. The trivia contestant with the highest score will win a \$500 Coles Group & Myer gift card. The next 10 will each WIN a \$50 gift card.

The campaign aims to increase top-of-mind awareness among Australians and inspire people to consider Thailand as their next travel destination. Amazing Thailand Trivia Challenge Season 2 will run from 20 May to 16 June 2021. There will be four quizzes in four new categories for contestants to complete including ‘Family Fun’, ‘Gastronomy’, ‘Wellness & Sport’ and ‘Culture & Festivals’. The campaign can be accessed via www.amazingthailandtrivia.com, Facebook, Instagram, and Twitter.

Ms. Suladda Sarutilavan, Director of TAT Sydney Office said, “As the travel restrictions are still in place, we cannot travel to Thailand at this time; however, we hope that Australians will choose Thailand for their first overseas holiday when we are able to travel again internationally in the near future.”

The mass vaccination programme for anybody living in Thailand will allow the country to reopen safely to international tourists. Phuket will be the first to lift quarantine for vaccinated foreign tourists, followed by Krabi, Phang Nga, Surat Thani (Ko Samui), Chon Buri (Pattaya) and Chiang Mai.

“With the vaccination programme going ahead as planned, Thailand’s reopening roadmap will go ahead as scheduled, with Phuket the first to open to fully-vaccinated visitors, from 1st July 2021. We cannot wait to welcome everyone to Thailand soon.

“The pandemic has given Mother Nature a respite, with the Andaman Sea becoming clearer than it has been in years, marine life flourishing, and local reservoirs full of fresh water. We believe that everyone will fall in love with the beauty of Thailand once again.”
