Truly Wireless - No Wires, No Mess and Qi wireless charging case

Altec Lansing introduces new True Evo Wireless Earbuds. No wires, no mess, no fuss! Certified IPX6 waterproof rated, these earbuds can be immersed in water or handle the toughest workouts. The True Evo Wireless Earbuds are loaded with 4 hours of battery life featuring a convenient charging carry case to recharge your battery after every use. Receive up to 4 charges on the go. No need to worry when your case has lost battery, simply place your case on a Qi Charging pad and receive a boost in a flash! Now featuring "Just Ask" with a quick tap, access your Siri or Google Voice Assistant via Bluetooth on your smartphone to your earbuds. The True Evo Wireless Earbuds provide a listening experience you will have to hear to believe!

- Truly Wireless Earbuds: Complete freedom to move while still providing impressive sound.
- Qi Wireless Charging: Comes with a Qi Wireless charging case to power the earbuds for four extra charges. Simply place your case on a compatible Qi Wireless pad and watch it charge! Each charge lasts up to four hours so you can keep on moving without interruption.
- IPX6 Water Resistant Rating: Can withstand any weather conditions or sweat as you endure your toughest workout.
- "Just Ask": Access Siri or Hey Google Voice Assistant with a simple voice command, providing instant access to music playlists, weather reports, directions, and other information from wherever, whenever.
- Compact and Comfortable: Features two sets of foam and silicone eartips for customized comfort that fit around your lifestyle.

"We've seen the True EVO Wireless Earbuds get rave reviews for its immersive sound coupled with convenient charging and comfortable long lasting wear," said Joseph Campos, VP of Sales and Marketing of Altec Lansing
