

## What you need to get your vehicle sold

Getting your car sold to Sydney Cash 4 Car works something like this

You have an old, used or scrap vehicle that you want to get sold, but don't want to go through all the hassles of selling the vehicle the time-consuming traditional manner. You give us a call, and you don't have to hassle with fixing and repairing your vehicle, or advertising and negotiating with buyers. You simply give us a call, and we'll give you a cash offer on your vehicle.

When you call, we will ask for a few details about your vehicle including a complete description of the vehicle and we'll then make you a cash offer. If you accept our offer, we'll then schedule a time that is convenient to come and inspect and remove the vehicle. Our car removal mechanics remove vehicles 24 hours a day, 365 days a year.

When we arrive, we will quickly inspect your vehicle, taking about 10 minutes and then provide you with the paperwork in exchange for your title of ownership. We'll also put our cash for cars offer in your hand. The process is that simple. With one call, we guarantee we will buy your vehicle today! And, we'll pay instant cash at the time we come to collect the vehicle.

For more information on selling your unwanted car to Sydney Cash 4 Car, give us a call at the number below. We can also be reached through our "Get a Quote" form located on our web page. We will buy any make and model of any age and condition.
