

Your brand has a bright future with AMS Promotions

Success is a process,

Take it from AMS Promotions, we know that professional, competent, experienced promotional models, brand ambassadors and other promotional staff are the difference between being the same as the competitor and outperforming the entire market.

Is your company looking for promotional models, product demonstrators or brand ambassadors? AMS Promotions possess a professional selection of hand-picked talent from across Australia. Specialising in traditional and experiential marketing.

The best experiential marketing campaigns provide a memorable experience and form a lasting connection between the brand and consumer. Brand ambassadors can produce outside the box product sampling, to memorable activities completely around your brand. Professional staff can assist in and deliver success through events and trade shows.

Events are a fantastic avenue for attracting new clients, promotional models can nurture existing relationships and create a buzz about your business and products, these are essential to your events' success and must be planned thoroughly. Consider your budget, marketing, timing, and Goals. Think your event through thoroughly from start to finish; but remember, you may have the most thought out and well-planned event on paper, but the real success lies in the execution.
