

Zetta Group Limited appoints new Board Chairman

Zetta Group welcomes Tim Shanahan to its Board to guide the next phase of company growth

Zetta Group Limited is pleased to announce that Tim Shanahan has joined the board as chair and non-executive director.

In a strong corporate and civic career, Tim has led key Western Australian organisations that have shaped the State, including the Chamber of Minerals and Energy, the WA Municipal Association, and more recently the Energy and Minerals Institute at The University of Western Australia. Tim is Chairman of WA Super and is a Director of RAC Holdings Pty Ltd, the owner of insurance, motoring, finance, aged care, retirement and tourism businesses. He is also a past RAC President. Tim is currently Chairman of the Cooperative Research Centre for Future Battery industries and WA SuperNet, a project with the objective to bring enterprise level broadband to the WA Grainbelt. Tim was a founder of the In The Zone geo-political business forum, and the International Mining for Development Centre (IM4DC).

Tim has been acknowledged for his service and commitment, receiving a 2001 Public Service Medal, 2003 Centenary Medal and a WA Gas Industry Development Award in 2007.

Zetta Group is a rapidly growing Australian owned IT company simplifying the complex world of IT for businesses. The company designs, commissions and manages ICT infrastructure, with services which include end user computing, cloud and infrastructure, service desk, application readiness, data protection, backup and recovery, voice and networking. These services are supported by its own national network and cloud infrastructure. Zetta Group's customer base includes medium and large Australian companies across energy, resources and professional services sectors, and federal and state government departments.
